

# General Specifications

VP6C5495  
Electronic Instruction Manual

GS 33J01W10-01EN

[Release 6]

## ■ GENERAL

CENTUM VP instruction manuals are supplied on the same DVD as for a system software.

## ■ FUNCTION SPECIFICATIONS

### StoryVIEW

StoryVIEW is a viewer program for electronic instruction manuals of the CENTUM VP, and it displays document maps, definition items and manuals related to the selected definition items. It also displays engineering procedures. Moreover, it makes it possible to register a registered manual to your favorites and to search through all the manuals.

### File Format

HTML (Hyper Text Markup Language), XML (eXtensible Markup Language)

### Supplied Medium

DVD

## ■ OPERATING ENVIRONMENTS

### Hardware Requirement

Conforms to operating environment of VP6E5100 Standard Engineering Function

### Software Requirements

Supported Windows OS and Service Pack conform to operating environment of VP6E5100 Standard Engineering Function.

In this manual, Internet Explorer or Edge, and .Net Framework are required.

Refer to VP6E5100 Standard Engineering Function (GS 33J10D10-01EN) software requirements for the supported versions of Internet Explorer or Edge, and .Net Framework.
